LEAAD has been a turning point for my daughter..In life, what ultimately matters is our skills and the most important, leadership qualities. LEAAD has given my daughter an exposure of competition, connected her to the society and enriched her 4 C's. What we see our daughter before LEAAD and after LEAAD are two different personalities.. she has undergone overall development and the team has always supported her!  
THANK YOU LEAAD!

- Rupal Jaiswal  
Teacher and Parent of participant
