LEAAD – (Leadership **E**nrichment for **A**dolescents through **A**ssessment and **D**evelopment) started **LEAAD AWARDS** – an annual development programme.

Started in 2013, LEAAD Awards are organised every year for high school students (Grade 8th to 11th) for encouraging them to look beyond conventional education inputs and put in efforts to identify and build their leadership capabilities.

LEAAD 4C model defines the important pillars of leadership and their enablers that play a major role in development of leadership potential.

LEAAD AWARDS is a platform to

Discover - Develop - Demonstrate
